A Little Reminiscing

Everyone reminisces at one time or another and as my days are numbered when I shall have to leave these halls of learning, my diary unfolds my rights and wrongs of five years of high school.

The very first page is dated September, 1948, and reads: "I started high school today. It seems like a big place and I'll probably never get in the right room at the right time but I like it . . . I think." The next important entry was when we elected our class officers for the first time. They were: President, Dan Roskoskey; vice-president, Jean Smith; secretary-treasurer, Susi Hansen. May, 1948, reads: "I tried to jump over the drinking fountain to get away from the 'clippers' but I did not quite make it. I can't wait until I'm a ferocious Senior."

Reading through my Freshman year I see I was getting more confidence in myself, especially now that there were others younger than I. A few pages beyond the first entry reads: "Gosh, it's really good to be back at the old grind." Further on it says we elected these classmates to lead us in our activities: President, Harold Jacobs; vice-president, Dan Roskoskey; secretary, Susi Hansen; treasurer, Phil Beebee. We had our first class dance, the Balloon Dance, for the little freshies, and it was a big success. Aside from that, this was quite an uneventful year, for the most of my time was spent on Latin verbs and sweet algebra problems.

Having struggled through the first real year of high school, I proceeded into my Sophomore year. Skimming through the pages of my diary for the fall of '50, I find: "I played my first five minutes of football today in a big scrimmage with Scottville." In February our class officers — president, Dick Foster; vice-president, Jacky Kruse; secretary-treasurer, Susie Hansen; and most of the class began the big plans for our second class dance, the Cabaret Dance. How well I remember the entry I made in the month of May. "2:15 a.m. — Boy, what a day! Just about the whole class turned out to help decorate the gym for the dance. Confidentially, it took an awful lot of nerve to ask 'her' to go with me but I sure am glad I did because we had a swell time." So I ended my Sophomore year ever looking forward to the fall when I would be a full fledged Junior.

September, 1951 — "Dear Diary: Finally through the long years of struggle, I am an upper classman. School is going to be pretty busy this year with the stiff course I am taking plus working on the J-Hop." Having elected our class officers today, we are ready to start plans for the biggest dance of the year given in honor of the Senior class. Our officers are: President, Dick Zimmerman; vice-president, Sally Novak; secretary-treasurer, Susi Hansen. As valentines, we received our class rings. The entry for the J-Hop, which was held on the 18th of May, is one that brings back memories. "I can hardly stay awake to write this; Cathy and I had a swell time!" Those five months of work on the decorations weren't a waste of time after all. Our theme was Dutch Polonaise, and we were certainly proud of our achievements when we saw the gym tonight. School's almost out for this year and I'm looking forward to my last summer's vacation.

Seniors at last! Can it be possible? Having our two advisers, Miss Greenhoe and Mr. Hegler, lead us through this year made things so very much easier for us when we ordered our announcements, name cards, had pictures taken, were measured for our caps and gowns, and made arrangements for the Skip Trip to Washington, D. C. This year we elected Dick Yankee as our class president; Barbara Soderstrom as vice-president, and Susi Hansen as secretary-treasurer. My last entry I remember well. It was kind of lengthy, which is unusual for me. "June 4, 1953. Dear Diary: This last year of school has gone so very fast. It doesn't seem possible that I have graduated. I must confess that I put on a good act tonight; in fact most everyone did. I'm no mind reader, but I know they must feel as badly as I do about leaving M. H. S. for good. I know now that it's no easy thing to graduate; the world seems like a pretty big place for any guy or gal to go out into alone. It isn't very easy to be separated from all the friends you have known so well all during high school. Gee, Dear Diary, I'm too darn big to cry now, I know, I just can't get rid of this lump in my throat. But I know one thing for sure: I'll never forget all the wonderful memories of good old M. H. S."

Co-Captains

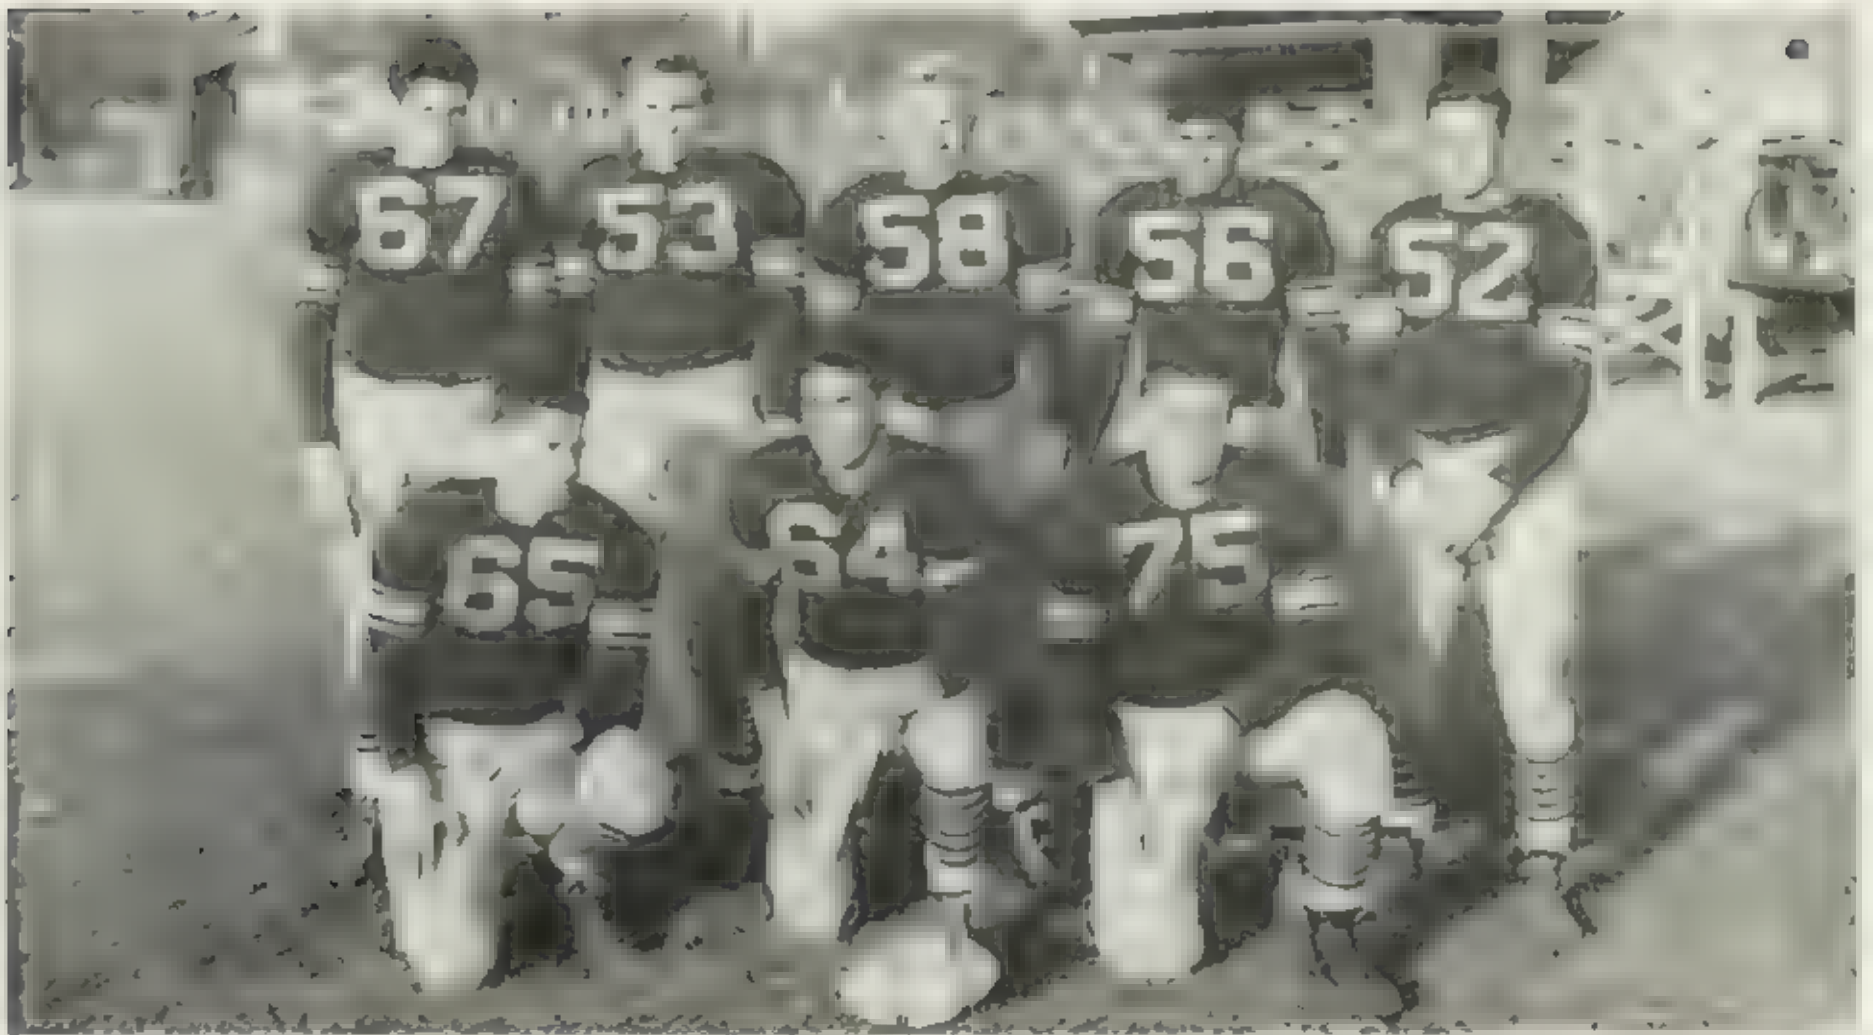

Harold Jacobs, *End*; Dick Lindeman, *Tackle*—All North Conference Second Team, All North Conference Honor Men

This year the Chippewas were led by two very capable captains Harold Jacobs and Dick Lindeman. Their drive and determination always kept the team in a good spirit and full of a lot of fight. Their decisions were always made with good judgment. All the players and fans would like to express their appreciation for a job well done.

Petoskey 26, Manistee 0

In the first game of the season, the Chippewas were taken by surprise by the mighty Northmen who scored freely in the first half; then the Chippewas settled down and played a good defensive second half, although they never could get their offense rolling.

Manistee 25, Fremont 7

In their second game the Chippewas showed their scoring power by beating a determined Fremont eleven. Touchdowns were made by Lindeman, who

intercepted a pass and ran about 45 yards for the score. Galloway scored two touchdowns by long runs. Schimke then accounted for the final score. H. Jacobs added the point. The Chippewas' defensive game looked greatly improved.

Manistee 54, Traverse City St. Francis 7

The Chippewas showed great scoring power by swamping St. Francis 54 to 7. This was the highest score rolled up by the Chippewas in many a season. The offensive game was very good and the defense was also commendable. Touchdowns were made by Hedstrom, B. Jacobs, H. Jacobs, Roskoskey, and Zimmerman. Galloway again made two very nice touch-

down runs. The Chippewas got two points from a touchback. Springborn also made a touchdown, H. Jacobs kicked three extra points and Brooks kicked one.

Big Rapids 19, Manistee 0

A hardy Big Rapids team came to town and scalped the Chippewas 19 to 0. The Chippewas again had a bad first half, while the Cardinals took advantage and pushed across 12 points, and on the first play of the second half for another score on a long run by Brown. The Chips then settled down and held the Cardinals for the remainder of the game.

Traverse City 19, Manistee 7

It was one of the best games of the season as the Chippewas completely outplayed and outfought the champion Trojans. The Chippewas lost the game early in the first half on two bad breaks. One was a bad center and the other a blocked kick, both of which turned into Trojan scores. The Chippewas' defense was at its best, and held off the Traverse team the whole game, except for a long pass. The Chippewas' only score was on a pass from Zimmerman to Wolf. H. Jacobs kicked the extra point.

Manistee 14, Cadillac 6

After a slow start and trailing 6 to 0 at the end of the first quarter, the Chippewas came roaring back with a series of nice passes and runs, finally connecting with Hedstrom throwing and H. Jacobs receiving. Then H. Jacobs converted the point and the Chippewas led 7 to 6. The game was hard fought in the third quarter but finally Zimmerman made an end sweep and drove for the final touchdown. Jacobs again converted and Manistee led by a comfortable margin. The Chippewas' defense looked especially well in this game.

Mt. Pleasant 19, Manistee 6

When the Chippewas went to Mt. Pleasant, they were encountered by a fast and hard-charging group of Oilers. In the first half, Manistee fought hard to

stay in the game and managed to hold the Oilers to only 12 points. In the second half the Chippewas completely dominated the play but only scored once, although they were inside the five yard twice. Speedy Tom Pishos scored all of Mr. Pleasant's touchdowns. Roskoskey threw to H. Jacobs for Manistee's only tally.

Ludington 32, Manistee 7

Manistee started bad and ended bad. It seems that the Chippewas just couldn't get rolling while Ludington had a field day pushing across touchdowns. Manistee became a little enraged in the second half and scored once and had a couple of good opportunities but failed to capitalize on them. Manistee's score was on a power play with Zimmerman driving across. H. Jacobs added the point.

Cadillac 38, Manistee 33

Leading throughout the game the Chippewas looked very sharp only to have the Cadillac five come from behind to go ahead in the final minute to beat out the fighting Chips. Manistee led at the half 21 to 17. Roskoskey was high for the Chips with 11 points.

Manistee 43, Big Rapids 39

The Chippewas won their second game of the season by coming from behind in the last quarter to overthrow the Big Rapids Cardinals. Manistee was always behind by just a few points and it looked for a while that the Cardinals had it, but in the last three minutes the Chips rallied and won.

Manistee 59, Petoskey 48

Manistee raked up its first win of the season by defeating the Northmen 59 to 48. For a while it looked like the game might turn into a football game at any time, but the Chips remained cool and kept raising the score until the final whistle. Roskoskey was high for the Chips with 24 points, followed by Madden with 12.

Traverse City 60, Manistee 40

The sharp shooting Trojans came to Manistee determined to get a win and they got it. The shooting of such players as Reilly, 6 ft. 7 in. center, and guard Kramer, was just too much for the Chippewas to keep up with, although they never gave up; they just couldn't keep the pace. Roskoskey was high for the Chips with 22 points.

Ludington 47, Manistee 18

Although the Chippewas lost they were not outplayed. They just couldn't hit the basket no matter what, but they played a good defense game and during the first half it looked as though they might give the champion Orioles a hard night. But the Orioles got hot and the Chips stayed cold, this being the only turning point of the game. Roskoskey and Harold Jacobs were high with 7 points each.

Mt. Pleasant 64, Manistee 36

Once again the Chips were cold and couldn't get going while their opponents were making the most of their opportunities. The Chippewas looked very good at times when they played a controlled game. It was pass, pass, and then a drive for the basket, only to miss the shot. Time and time again this happened and if the Chips would have scored on these they would have won the game. Roskoskey was high with 12 points followed by Madden with 11.

Manistee 50, Reed City 47

This game might easily be called the most exciting game of the season. The lead must have changed hands at least a dozen times only to have the Chips come out of the battle with a well earned win. The score at the half was 29 to 23 in favor of the Chips. With only a few minutes gone in the second half the Reed City crew was once again ahead. This was just about the pattern of the whole game. Roskoskey was high with 18 followed by Davis with 11.

Cadillac 41, Manistee 35

Once again the Chippewas had a close game with the Vikings and once again the Vikings emerged the victors. Dan Davis, Manistee Junior center, played an excellent game, on both the offense and defense. Davis was high for the night with 21.

Manistee 52, Alma 46

Manistee is starting off a good tradition with the Alma Panthers, who will be one of the sisters of conference. This game was very closely fought and could have gone either way, but once again the sharpshooting of the Chips led them to victory. Davis and Madden brought the victory with 17 points apiece.

Big Rapids 47, Manistee 43

The Chips got off to a fast and furious start and led at one point 19-6. The game was very fast and the Big Rapids Cardinals seemed to like it that way and wouldn't let the Chips settle down to a slower game. The Chips kept their lead early in the fourth quarter when it seemed that the pace began to show on them. Roskoskey was high with 12 followed by Madden with 10.

Robert Brooks

Dan Davis

Robert Jacobs

Hart 57, Manistee 54

In a very fast and sharpshooting game, with the Hart Pirates finally winning over the fighting Chips. This game was very close all the way and could have gone the other way, but it seemed as if the Chips were luckless and couldn't keep up in the final seconds. Roskoskey and Hedstrom were high with 15 points apiece

Traverse City 48, Manistee 39

In this game the big difference was decided in the first quarter when the Trojans outscored the Chips by 15 points and these points were the big factor of the game, for after the first quarter the Chips then outscored the Trojans in every quarter but could not quite make up the lead the Trojans had acquired. Roskoskey was again high with 20 points followed by Davis with 9

Ludington 45, Manistee 40

Manistee was the underdog again but gave the big champs quite a scare. Manistee completely outplayed the Orioles, but just for the little let-down in the third quarter and held onto it till the near end of the third when the Orioles went in the lead to stay. Roskoskey was high with Davis had 12

Mt. Pleasant 70, Manistee 65

Again the Chips led throughout the game only to be beat out in the final minute. They had a 65-64 lead with only 50 seconds to play, but they were beat out by a beautiful shot by Meyers, who set a conference record in this game with a total of 38 points. Manistee played a good game of ball, only the aggressiveness of the Mt. Pleasant club paid off. Roskoskey was high with 18 points

Tournaments

Manistee 45, Big Rapids 37

Manistee played a beautiful brand of ball and beat the Big Rapids Cardinals in a hard fought game at the Cadillac gym. The Chips led throughout the game but were never ahead by more than 1 or 2 points until the final minute, when they started to stall. Then the Cardinals knew that they had to get the ball or lose the game. But Manistee remained cool and the Cards fouled the Chips and it turned out to be the determining factor of the game. The whole team played a wonderful game of ball and a hard fought one. Davis was high with 19 points

Manistee 43, Cadillac 38

Playing for the District Championship, the Chips beat a team that had twice defeated them. Once again the Chips stalled for the last 2 and a half minutes. They played a beautiful floor game, always playing a controlled ball, never making foolish passes, this way winning the game. Playing good ball for the Chips were: Roskoskey, Zimmerman, Madden, Davis, Jacobs, and Hedstrom, the two outstanding guards. David was high with 13, Madden followed with 11

Manistee 57, Mt. Pleasant 52

Manistee (Cinderella Team of the North, a name which has been given the Chippewas by the various newspapers in Michigan) again an underdog went on in the tournament by beating a fighting Mt. Pleasant five. Ending the regular season in last place, Manistee now made a big name for itself in the tournament. Manistee played a beautiful brand of ball even though Mt. Pleasant's pressing defense kept them moving at a fast pace. Davis was high for the Chips with 25 points followed by Madden with 13. Roskoskey played a wonderful floor game. Jacobs and Hedstrom also did an excellent job in bringing down the ball

Ludington 55, Manistee 40

The Cinderellas' dream came to an end in the final game of the Regional Tournament. By a fast moving Ludington squad and excellent shooting by Tiljeston and Schanor, the Chips saw the end, even though they tried hard, it was just too much for them. Ludington is now in the State Finals and is a favorite for the State Championship, so we believe that the Chips were beaten by the best. Playing excellent games were Roskoskey, who had 14 points, followed by Davis with 11. Madden, Zimmerman, H. Jacobs, and Hedstrom also gave excellent account of themselves

ACTIVITIES

B A N D

Under the direction of Raymond Maxwell the band has made rapid progress this year.

The marching band was unofficially rated at the Cherry Festival as top band and at the Big Rapids Mass Band Festival, both in marching and concert, as excellent. It played for all the home football games and those away with the exception of two. It also participated in many community parades and social events.

As a concert band its two main activities have been public Spring and Winter concerts. It also played for the school Christmas Assembly.

Thirty of the members who entered the District Solo and Ensemble Music Festival which was held in Manistee this year received impressive ratings. The Clarinet Quartet which received a number one rating at the State Solo Ensembles Festival for the past three years was one of these.

The Band Boosters has shown much enthusiasm and contributed a great deal to the support and continued growth of the band.

The constant four year climb of the band under Mr. Maxwell has provided a bright outlook for the coming year.

T R I - H I - Y

Tri-Hi-Y is a relatively new club which began here in 1950. During the following years, the club has grown in both membership and purpose. The purpose of the Tri-Hi-Y is to make this world a little better by each member living in a Christian spirit. The club discusses problems which confront the youth today, such as the 18-year old vote, and displays

an active interest in modern living. Two members of the club attended the annual Hi-Y-Tri-Hi-Y legislature in Lansing. The club also sponsors dances and other projects for the enjoyment of the entire student body. Mrs. Holland Capper ably served as club adviser.

H I - Y

The Hi-Y club, under the guiding hand of Norbert Radtke, has as its creed of clean living, clean speech, clean sports, and clean scholarship. All of these things help to make a better school for all students.

Some of the service projects are: Assisting the Rotary Club, sending clothes to Japan, and the raking of Peters' lot

Some of the social activities of the club were the annual hay ride and banquet, and a meeting with parents and boys to discuss mutual problems.

The special activities are: Camp Hayo-Went-Ha, older boys' conference at Battle Creek, and the Legislative Assembly at Lansing

General financing of the club's activities is done through the selling of candy bars at noon.

Student Council

The Student Council is a representative body which consists of two representatives from each class, one boy and one girl, who are elected with the class officers to serve for one year. The president is elected at a general assembly of the school. Mr. Bendle is in charge of the council, their activities and projects.

Some of the things accomplished this year were the presenting of the gift to Mr. Krause, joint meetings with the St. Joseph Student Council, and the Christmas party and other similar doings.

National Honor Society

Only students of outstanding abilities in scholarship, leadership, character, and service are eligible for membership to this society which is one of the highest honors of the school and the goal of every student. Admitted to this society are only fifteen per cent of the senior class and five per cent of the junior class. J. W. Krause and L. C. Bendle are the faculty advisers.

Future Nurses of America

The name of this organization explains its pur-

pose fully. It consists of girls choosing nursing as their career. This is the only high school club meeting held monthly the year around. They are instructed with moving pictures and lectures as to the life and duties of the nursing profession. This is their second successful year. The girls are under the direction of Dagmar Jensen and Letha Townsend, both R.N.'s

Pep Club

The Pep Club is a group of twenty-four girls working "behind the lines" for the Varsity. These girls make the lunch for the team after all home games, decorate the goal posts and sell programs. The club enjoyed a bus trip to the Traverse City game and attended the athletic dinner in the spring. Awards are given the members for their efforts. Mr. Arnold is director.

Lettermen's Club

The Lettermen's Club, organized solely for

varsity athletics, has as its purpose assistance to the athletic department and setting the standards for athletic awards.

This club, under the guiding hand of Coach Pearson, has taken charge of cleaning up the trophy case annually, sponsoring the broadcasting of a basketball game, sending athletes to the all-sports banquet at Cadillac, and purchasing jerseys for the football team.

Officers are Dan Roskoskey, president; Dick Zimmerman, vice-president; Dick Yankee, secretary-treasurer; Milo Townsend, librarian; and Harold Jacobs, parliamentarian.

Tumbling

The tumbling team, under the direction of Al Arnold, is made up of grade and high school boys and girls. This club plays an important part in athletics. Besides putting on the annual Sands

Circus, the team also makes out-of-town tours. Some of the members visited the Shrine Circus, while others accompanied the band to the tulip festival in Holland.

Front Row: Beverly Saugie, Fern Nelson, Geneva Saugie

Keglers

This club is fairly new. Having completed its fourth year seems proof enough that it is here to stay. The bowlers meet every Sunday afternoon and compete for championship. The league is one of many members of the American Junior Bowling Congress. At the end of the year a party is given and trophies are awarded to outstanding bowlers.

Rifle Club

The aim of the Rifle Club is to teach students the safe way to handle firearms. Mr. Simons and Mr. Howe, faculty advisers, help train the members to participate in four rifle matches.

Front Row Dick Lindeman, Hugh Hornstein, Clare Schindler, Dick Walle, Dick Foster, Hope Ramsdell, Marilyn Nelson

DRAMA

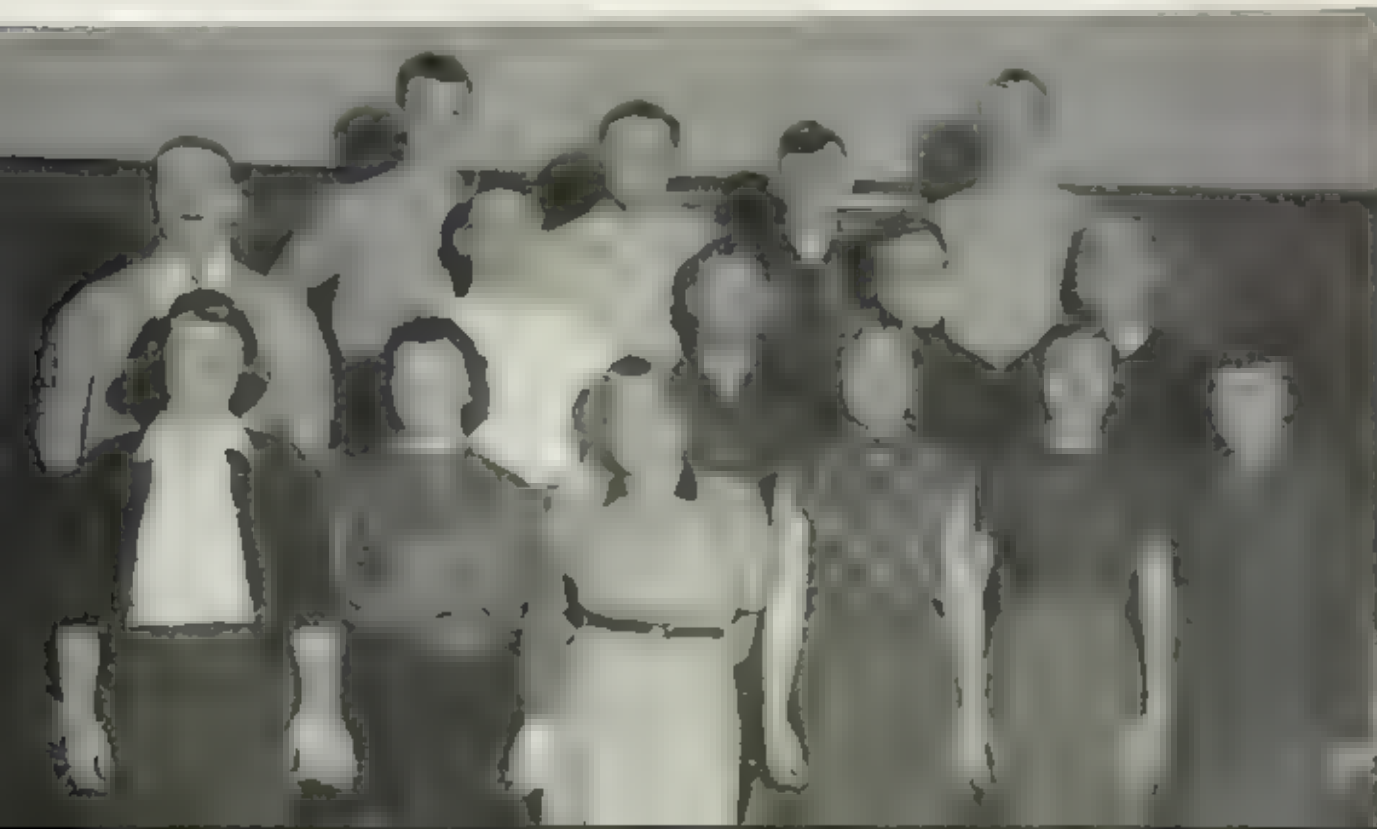

The dramatics class put on four assembly programs during the year. "Roughly Speaking" was the first program followed by "John Speaks for Himself" and "The Man on the Street," all given in October. In December the group put on a skit over the local radio station. It was entitled "Christmas Every Day." "Minor Miracle" and "Ladies of the Mop" were staged in February. In March "Oh, Doctor" and "Who Gets the Car Tonight" were presented. On April 18, the group took the annual trip to Mt. Pleasant for the one-act play festival.

Ski Club

The Ski Club, under the direction of Holland Capper, entered several ski meets this year. Manistee took top position in all of these meets. Two of the ski club members, President Lewis Ramsdell and John Capper, competed in the United States Central Association meet at Traverse City and Leelanau and qualified for the national junior meet which was held in March at Brighton, Utah. Even though no prizes were won at this meet, Lewis and John picked up a wonderful tan and were the envy of the whole school.

The backbone of every cheering section is the cheerleaders and we are fortunate to have such able leadership. From the eighth grade to the varsity, the cheerleaders have been in front of the crowd backing their team. They deserve all the applause and credit we can possibly give them.

MANICHIGAN

The annual staff, under the leadership of Sandra Bramble, editor-in-chief, decided to go back to the engraving and printing method of putting out a yearbook, and with the kindly help of Mr. Larink, it became a finished product. Harry Zientek deserves a big hand for his photography, and Dick Yankee

and Glen Parr for doing a "bang-up" job with the advertising and sales. And a pat on the back to sports editor Bob Brooks. Mildred Albrecht and Carolyn Gilbert were valuable assistants to the editor. The staff is most grateful to Mr. Hench for his art contributions

THE CHIPPEWA HERALD

Putting out a tabloid-sized paper was a new experience for the Herald this year.

The staff is grateful to Mr. Win Kuehl, editor of the Manistee News-Advocate, for talking to the class, and for giving valuable assistance in the printing of

the paper

Harry Zientek, editor, plus a staff of faithful workers, under the guidance of Advisers Krause and Hiller, held forth in C-8 where the clicking of typewriters could be heard almost any hour of the day.

SANDS CIRCUS

The Sands Circus is the big summer event of the year. Sponsored by Al Arnold, who recently was presented "Citizen of the Year" award by the VFW, this circus has grown by leaps and bounds and is now our biggest summer entertainment event. Performers in this circus are trained in Mr. Arnold's tumbling classes.

CAMERA CLUB

Under the supervision of Mr. Caro, the Camera Club progressed rapidly. The purpose of the club is to see that everyone knows the proper way to handle a camera. Developing, printing, and enlarging were also demonstrated.

Explaining test results

Studying map of Michigan colleges

G U I D A N C E

Guidance is the educational process of helping every student get the most possible out of school and make the best possible life adjustments. It is not a separate department but an integral part of the educational program.

In order to know students and to teach them as individuals, information must be gathered about them from a variety of sources such as interests inventories, achievement tests, previous school records and teachers, and I-Q tests. All available information as well as personal problems of the individual are discussed privately with the respective counselors.

Norbert E. Radtke is director of guidance and Mrs. Clason, Mrs. Kulow, and Mr. Howe are class counselors. Principal L. C. Bendle is general chairman of the guidance program.

Dear Mr. Krause

Upon graduating, we Seniors know how you must have felt upon leaving Manistee High School. We have been here only four years and already we have a sense of 'belonging' that you must have accumulated over twenty-five years of teaching. You have not only been our teacher but our friend—a friend who has added a personal, humorous touch to whatever you undertook. You have been someone we could come to with our problems. Maybe we couldn't solve them then, but we would leave with a sense of understanding.

We are happy for you when we think that after twenty five years of being a friend to students and teachers you are now going to be able to do the things that every one waits for—to relax and travel.

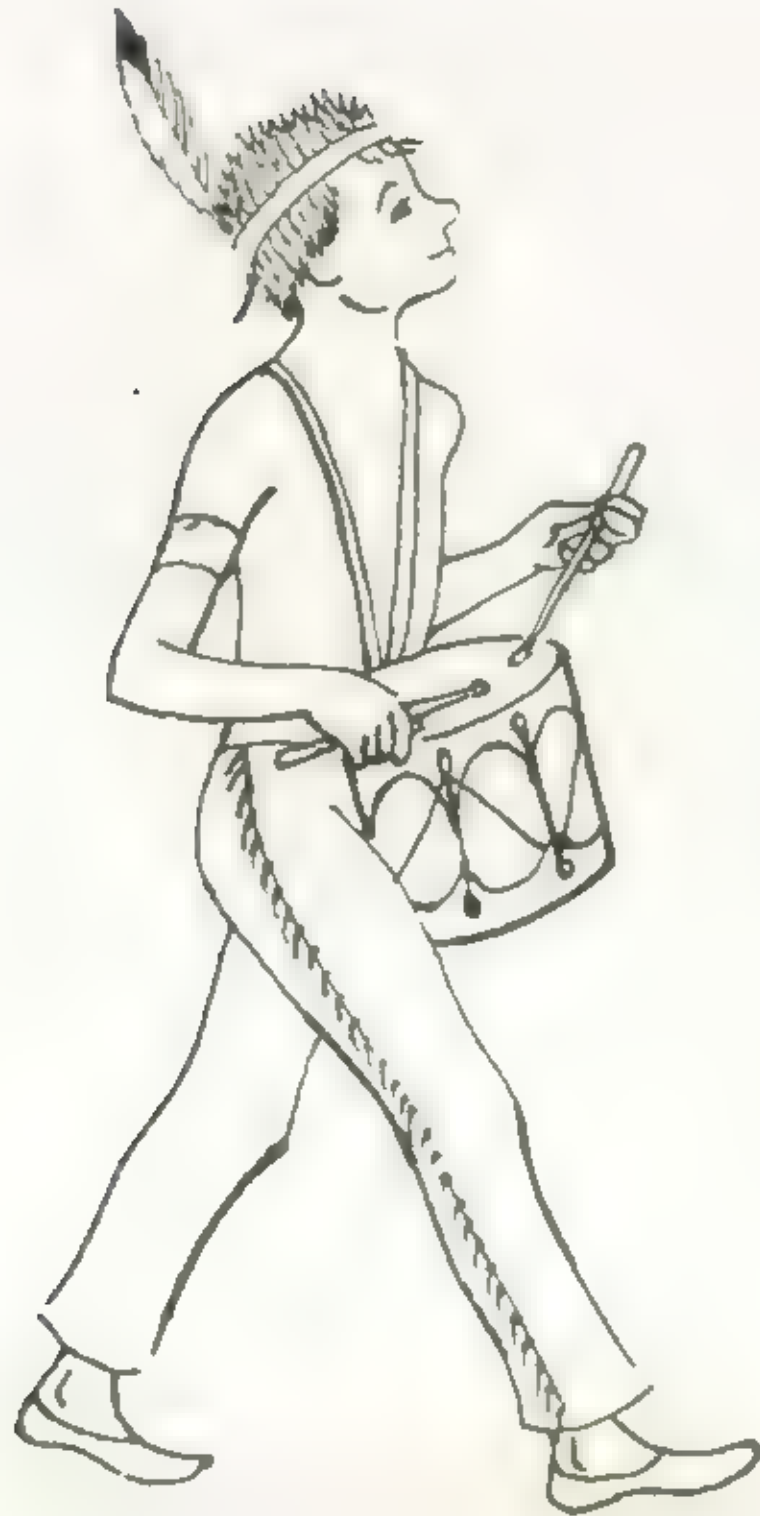

You are always ready to greet everyone with a smile and a friendly 'hello.' That, Mr. Krause, will never be forgotten by anyone who has known you.

In our HALL OF FAME you're to go

God bless you
